Easy Read Copy

Training and Job Support for Mental Health and Learning Disabilities

This is an Easy Read version of the
Growing Space leaflet 'Training and
Employment for Mental Health & Learning
Disabilities'
June 2018

Growing Space

We will help you to set your own goals, and support you to work towards them.

We will help you to get:

- Work placements
- Training
- Support

We work with individuals with a learning disability or mental health. We will work with you to plan your training and job goals.

Accessible Information

We will try to give you information and support in a way you understand.

We will include information about jobs.

Organisations

Growing Space will work with organisations to get:

- work trials
- volunteering opportunities
- job offers

We will work with:

- Aneurin Bevan University Health Board
- Local councils
- Charities and voluntary groups

Training

We will provide training that helps you to become ready for work.

We have another leaflet about our Gwent Ambassadors for people with learning disability.
